Re: Letter of Support for H.R. 1815 Eastern Nevada Land Implementation Improvement Act

Dear Chairman McClintock and Ranking Member Tsongas,

I wish to thank you for considering H.R. 1815 Eastern Nevada Land Implementation Improvement Act. This small piece of legislation will have significant impacts on our community. Mesquite has grown because of its good relationships with the federal government. We wish to continue those mutually beneficially relationships.

The City of Mesquite fully supports this bill as presently constituted. As evidence of our support, the City Council and I willingly appropriate city staff and resources to carrying out the aims of this bill.

When this bill is passed, it will correct the implementation omission of the first act.

Again, I wish to express my gratitude for the Subcommittee's consideration of H.R. 1815. We are also indebted to Representative Hardy, and indeed to the whole Nevada delegation, for their support and efforts in our behalf.

Respectfully,

  
Allan S. Litman, Mayor
